President's Message

Eureka Savings Bank has been proudly serving our customers and supporting our communities since 1885 and look forward to continuing this tradition. The banking industry is continuously changing and we are working to provide all of you with the safest, most current access to your accounts and our services. We are now offering commercial loans and deposit accounts and we have had great success with our mobile banking app. Online mortgage applications and mobile deposit capture are the next services we are excited to provide to you!

While we have made it more convenient for you to access your accounts and do business when it is convenient, you may also stop in any of our locations – LaSalle, Mendota, Oglesby, and Peru, where our friendly, dedicated staff is ready to serve you. Thank you for your loyalty and patronage and we will continue working to earn it in the future.
