

## **MOBILE REMOTE DEPOSIT SERVICES AGREEMENT**

Mobile Deposit is designed to allow you to make deposits of checks ("original checks") to your accounts from home or other remote locations by scanning the original checks and delivering the digital images and associated deposit information ("images") to us or our processor with your Mobile Device. After you login to Mobile Banking, you may apply for Mobile Deposit.

**Limits.** We may establish limits on the dollar amount and/or number of items or deposits from time to time. If you attempt to initiate a deposit in excess of these limits, we may reject your deposit. If we permit you to make a deposit in excess of these limits, such deposit will still be subject to the terms of this Agreement, and we will not be obligated to allow such a deposit at other times. The current transaction limit is \$3,000.00 and the current daily dollar limit per calendar day is \$3,000.00. In addition, the current dollar limit per any 30 consecutive calendar day period is \$6,000.00. There are no limits on the number of items, as long as the respective dollar limits are not exceeded.

**Errors.** You agree to notify the Bank of any suspected errors regarding items deposited through the Services right away, and in no event later than 60 days after the applicable account statement is sent. Unless you notify the Bank within 60 days, such statement regarding all deposits made through the Services shall be deemed correct, and you are prohibited from bringing a claim against the Bank for such alleged error.

**Errors in Transmission.** By using the Services you accept the risk that an item may be intercepted or misdirected during transmission. The Bank bears no liability to you or others for any such intercepted or misdirected items or information disclosed through such errors.

**Eligible items.** You agree to scan and deposit only checks (*i.e.*, drafts drawn on a credit union, savings and loan or bank and payable on demand) as that term is defined in Federal Reserve Regulation CC.

**Ineligible items.** You agree that you will not use Mobile Deposit to deposit:

- Checks payable to any person or entity other than you (*i.e.*, payable to another party and then endorsed to you).
- Credit card checks.
- Checks that are incomplete.
- Checks payable to you and another party who is not a joint owner on the account.
- Checks issued to you by a financial institution in a foreign country.
- Any check that is stale dated, expired, or post dated.
- Any check that has been re-deposited or returned such as "non-sufficient funds" or returned for any other reason.
- Checks that contain evidence of alteration, or that you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn.

**Requirements.** Each image must provide all information on the front and back of the original check at the time presented to you by the drawer, including, but not limited to, information about the drawer and the paying bank that is preprinted on the original check, MICR information, signature(s), any required identification written on the front of the original check and any endorsements applied to the back of the original check. The image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association. Endorsements must be made on the back of the share draft or check within 1 ½ inches from the top edge, although we may accept endorsements outside this space. Your endorsement must include your signature and "for Eureka mobile deposit only". Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility. A check payable to two payees must be endorsed by both payees. If the check is payable to you or your joint owner, either of you can endorse it. If the check is made payable to you and your joint owner, both of you must endorse the check.

**Receipt of Deposit.** Upon receipt of the digital check image, we will review the image for acceptability. You understand and agree that receipt of an image does not occur until after you receive a confirmation screen upon the conclusion of your transaction and that such confirmation does not mean that the image or transaction contained no errors or that we are responsible for any information you transmit to us. After we have reviewed your check for deposit, we will notify you if we accepted, deleted, or adjusted the item via email to you. We reserve the right to reject any image for mobile deposit into your account. All images processed for deposit through Mobile Deposit will be treated as "deposits" under your current Account Agreement with us and will be subject to all terms of the Account Agreement. When we receive an image, we will confirm receipt via email to you. We shall not be deemed to have reviewed the item until we have confirmed review with email to you. Confirmation does not mean that the image contains no errors. We are not responsible for any image that we do not receive.

Following receipt, we may process the image by preparing a "substitute check" or clearing the item as an image.

We reserve the right, at our sole and absolute discretion, to reject any image for remote deposit into your account. We will notify you of rejected images.

**Original checks.** After you receive confirmation that we have received an image, you must securely store the original check for 60 calendar days after transmission to us and make the original check accessible to us at our request. If we request the original check, you agree to deliver to us within 10 calendar days, at your expense, the requested original check in your possession. If not provided in a timely manner, such amount will be reversed from your account. Promptly after such period expires, you must destroy the original check by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. *After destruction of an original check, the image will be the sole evidence of the original check.* You agree that you will

never re-present the original check. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid.

**Returned Deposits.** Any credit to your account for checks deposited using Mobile Deposit is provisional. If original checks deposited through Mobile Deposit are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with an image of the original check, a paper reproduction of the original check or a substitute check. We may also charge you a \$15.00 Return item charge. You understand and agree that you are required to indemnify us and hold us harmless against any all claims, actions, damages, losses, liabilities, costs and expenses, including reasonable attorney fees and expenses, arising out of your use of the Services, breach of this Agreement, or relating to the processing of any returned items. You understand and agree that this paragraph shall survive termination of this Agreement. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you.

We may debit any of your accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.

**Your Warranties.** You make the following warranties and representations with respect to each image:

- Each image is a true and accurate rendition of the front and back of the original check, without any alteration, and the drawer of the check has no defense against payment of the check.
- The amount, payee(s), signature(s), and endorsement(s) on the image and on the original check are legible, genuine, and accurate.
- You will not deposit or otherwise endorse to a third party the original check and no person will receive a transfer, presentment, or return of, or otherwise be charged for, the original check or a paper or electronic representation of the original check such that the person will be asked to make payment based on an item that has already been paid.
- There are no other duplicate images of the original check.
- The original check was authorized by the drawer in the amount stated on the original check and to the payee(s) stated on the original check.
- You are authorized to enforce and obtain payment of the original check.

You agree that files and images transmitted to us will contain no viruses or any other disabling features that may have an adverse impact on our network, data, or related systems.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

**Mobile Deposit Security.** You will complete each deposit promptly. If you are unable to complete your deposit promptly, you will ensure that your mobile device remains securely in your possession until the deposit has been completed. **Your Responsibility.** You are solely responsible for the quality, completeness, accuracy, validity and integrity of the image.
